

THE RACE TO CURE PANCREATIC CANCER

2024 - The 15th Annual

Sponsorship Packet

OUR MISSION

Our mission is to end
PANCREATIC CANCER.

POLLY'S RUN,

Our mission is to end pancreatic cancer. For good.

POLLY'S RUN, is celebrating our 15th year of fighting pancreatic cancer. Since our inception, we've raised over \$570,000 and have grown exponentially every year. Last year, we raised over \$63,000, and we have set the ambitious goal of \$70,000 for our 15th year. 100% of the proceeds will be donated to the endowment for Polly Rogers Pancreatic Cancer Research Fund at the UNM Cancer Center. The endowment will help us fight pancreatic cancer here in New Mexico; bringing the highest quality care and research to the state to combat this devastating disease. Please join us this year with a donation and help us reach \$70,000!!!

Polly's Run is a non-profit organization through the parent company RunFit. The event is an annual 5K and Kids K road race honoring our namesake, Polly Rogers, and all the loved ones lost to pancreatic cancer. Join us live in-person or virtually anywhere in the world!

We greatly appreciate your consideration and support for Polly's Run. On behalf of all the families affected by pancreatic cancer, I personally thank you. Please call me at (505) 362-6047 or email me at pollysrun@gmail.com if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Joshua Rogers', with a long horizontal flourish extending to the right.

Joshua Rogers
